What is a one-page website?

And is it right for you?

SWIPE →

01

One scrollable page

Everything people need, in the order they need it.

What goes on it

- What you do and who for
- Proof you’re good (reviews)
- Prices or “from” prices
- How to get in touch

Is it right for you?

NOT IDEAL FOR

Big online shops or 50-page sites

PERFECT FOR

Local and service businesses

02

Why simple wins

Less to read, less to maintain, easier on a phone. And you can add pages later.
