# Website checklist for tradespeople

*Plumbers, electricians, builders, roofers*

SWIPE →

# When someone searches “near me”

- Your trade and your area, clearly
- A tap-to-call number at the top
- Google Business Profile filled in
- Photos of real jobs, not stock
- Reviews from real customers
- Your accreditations (Gas Safe, NICEIC...)

01

# Say where you work

“Plumber” isn’t enough. “Plumber in Norwich and Wymondham” is what people search.

02

# Show your work

Before-and-after photos build trust faster than any slogan.

03

# Make calling easy

One tap. No hunting for a number.
