01

# What it is

A free Google tool that shows how people find your website.

# What it shows you

- What people typed to find you
- Which pages they saw
- Whether Google can read your site
- Any problems to fix

02

# What to ignore

You don’t need to check it daily. Once a month is plenty.

03

# Set up for you

It’s connected on every site I build.

# Want a website that works as hard as you do?
