Website checklist for photographers & creatives

Photographers, designers, makers, videographers

Beyond the gallery

- Your best 8–12 pieces, not everything
- Who you work with (weddings, brands, families)
- Packages or “from” prices
- A short bio with a real photo
- Testimonials from past clients
- One clear way to enquire

01

Curate hard

Ten brilliant images beat a hundred good ones. Show the work you want more of.

02

Say who it’s for

“Wedding photographer in Suffolk” finds clients. “Photographer” gets lost.

03

Make enquiring easy

A simple form that asks date, location and budget saves back-and-forth.
