Website checklist for independent shops

Gift shops, boutiques, florists, bookshops

Make it work like your shop window

- Opening hours (and Christmas hours)
- Address, map and parking
- What you sell and your best sellers
- Photos of the shop and products
- A phone number that taps to call
- A simple way to enquire or reserve

01

No online shop needed

Many independents don’t need one. A clear page showing what you stock and where you are does the job.

02

Show what’s new

A few fresh photos make people feel the place is alive.

03

Be a click from a visit

Directions and hours first. They’re planning a trip.
