Website checklist for accountants & consultants

Accountants, bookkeepers, advisers, freelancers

Build trust fast

- What you do, for whom, in plain English
- Your qualifications and memberships
- Fixed fees or “from” prices
- What happens after they get in touch
- Testimonials from real clients
- A clear next step: book a call

01

Plain English wins

Jargon makes people nervous. “I do your tax so you don’t have to” beats “fiscal compliance solutions”.

02

Explain the process

“Call me, we chat for 20 minutes, I send a quote” takes the fear out of step one.

03

Be easy to book

A free discovery call link or a short form. Not a long list of contact options.
